Background & Experience

Austin has served as brokerage manager for Coastal Insurance Consulting, LLC for more than 5 years. Austin is a graduate of Fox School of Business at Temple University, where he earned a Bachelor of Business Administration in Risk Management and Insurance, and Economics. Additionally, Austin's background includes extensive experience in risk management, life, disability income, long term care, annuities, and advanced planning concepts.

Prior to his role as Brokerage Manager, he completed his internship and then was hired as an internal sales specialist for CIC upon graduation. He was also a teaching assistant in the Risk Management program for the Fox School.

Austin and his wife, Annie are active in the Phoenixville, Pennsylvania community, where they share their home with their dog, Marly.
