Background & Experience

A 25+ year veteran of the financial services industry, Brian consults with select advisors and their clients specializing in wealth transfer, legacy planning, supplemental retirement planning, and risk mitigation strategies including Long Term Care solutions. Brian has spent the last 25 years working for Nationwide Financial as their Life Insurance & LTC Specialist and is well known in this industry for his energy, passion, and commitment in helping clients prepare for and live in retirement. He is most known for his “outside the box” thinking when it comes to complex strategies that require a creative and different approach to address clients’ needs.

Brian emigrated from Ireland in 1994. He currently resides in Boca Raton, Florida with his wife Emily and their two teenage children. Outside of work, Brian volunteers with the Boy Scouts of America and, when time allows, to enjoy all the outdoor activities that the Florida lifestyle permits.

When he is not working with financial advisors, he loves going on adventures with his wife and kids. Having memorable and fun experiences with his family has always been a priority.
