Background & Experience

Drew joined owR Opinion, L.L.C. in 2010 as the Managing Partner of the CT Sales Office in Simsbury, CT. Drew has been in the insurance industry for over 21 years.

Drew started his insurance career as an Underwriter for Aetna in 1989. During his 9 years with Aetna, he also held positions as Brokerage Underwriter, Director of Underwriting, and ultimately, Vice President of Sales.

From 1998 to 2001 Drew was Vice President of Sales for Travelers Life Insurance Company. He was responsible for all life production with Smith Barney for the eastern half of the United States.

In 2001 Drew forged into the brokerage side of the life insurance business as a Point-of-Sale Specialist for Financial Advisors within the institutional arena primarily in CT and MA. He started partnering with UBS Advisors back in 2001, when it was still Paine Webber.

Joining forces with owR in 2010 has enhanced Drew's back-office processing, allowing him to focus on maintaining and fostering relationships with Financial Advisors. It has also enabled him to offer Advisors a larger insurance team, including an Advance Sales Attorney, Medical Director and a dedicated internal team.

Drew lives in CT with his wife and two daughters. On the weekends Drew often serves as the grill master for his family and friends (he makes a killer rack of ribs) and actually enjoys trying to keep up with the yard work. He is a UConn sports fan and looks forward to going to more games now that his oldest daughter is a student there.
