### **Background & Experience**

Dylan Sharpe is an independent representative of leading insurance carriers, specializing in long-term care, disability, life insurance and annuity planning. With 12 years of experience in the insurance industry, Dylan has held multiple positions at top insurance carriers dedicated to supporting financial advisors in banks and financial institutions. Before his current role, Dylan served as the Annuity Program & Solution Specialist for D.A. Davidson, a prominent wealth management firm.

Currently, Dylan is the President of Business Development at LFS. In this role, he helps educate advisors and their clients about the important role that insurance planning plays in creating successful outcomes for individuals, families and businesses and their heirs.

Growing up with cerebral palsy has deeply influenced Dylan's approach to client service. His unique experiences have fueled his lifelong commitment to helping others make informed, confident decisions about protection planning for themselves and their families. This partnership-driven mindset has enabled Dylan to build a strong track record of success for his advisor clients, his team, and the broader professional community.
